More than Paper

FillPak® TT

TIME SAVINGS

Fan-folded packs of paper offer minimal handling time

COST EFFICIENT

Runs at high speed allowing maximum box throughput

FLEXIBILITY

Easy to place at a pack station and simple to use

The high speed, on-demand solution for filling boxes in pack station environments

The converter forms single layer kraft paper into a high volume star-shaped paper configuration, which can be used as an effective filling material. It prevents products from shifting around in their box, ensuring damage-free arrival at the end destination.

The converter runs at high speed, is compact and easy to integrate into every packing environment.

SPECIFICATIONS

Converter

Dimensions: 43x45x46 cm

Weight: 8 kg

Voltage: 100-230 volts

Power: 150 watt

Speed: 1.4 m/s

Cut method: manual tear,
perforation every 18.6 cm

Paper

Base weight: 50 gr/m²

Pack length: 500 m, 360 m

Paper width: 38 cm

Average yield: 1.5 m³

OUR ADDED VALUE

Packaging Engineering

Ranpak analyses and reports on your current packaging solution. The drop test shows exactly how much shock is transmitted to your products through the packaging. Ranpak then suggests alternatives as to how to improve protection or save costs.

Integrated Applications

The Ranpak Added Value department can design structures, frames and other innovative solutions to integrate the packaging converted anywhere around, above or under a packing area.

Packaging Training

Training from our packaging experts will help your packers to use up to 20% less packing material, without compromising the quality of the packaging.

SUCCESSFUL IN THESE INDUSTRIES

Logistics

Lighting

E-Commerce

Toys & Sport

Publishing

Decoratives

Cosmetics

Computers

Pharmaceuticals

Gourmet Food

ARRANGE A VISIT TO THE KALIDECK EXPERIENCE CENTRE

We are proud of our state of the art showroom facility where customers are welcome to come and test any of our flagship products. Our facility is designed to provide a customer experience that shows the true power of our holistic product solution, from paper through to production and print.

GO GREEN

Our company works with FSC[®] Certified suppliers. FSC[®] is a global not-for-profit organization that sets the standards for what is a responsibly managed forest, both environmentally and socially.
