More than Paper

## Geami WrapPak® HV

**HIGH VOLUME**

### PRESENTATION

Perfect in-the-box presentation enhances the customer's unpacking

### FLEXIBILITY

Can be placed anywhere for your convenience.

### TIME SAVINGS

Improves wrapping speed and overall packing throughput

### COST EFFICIENT

Reduces material handling and takes up less storage space

## Geami WrapPak® M

**LOW VOLUME**  
MANUAL

**Optimise your wrapping speed and packaging throughput**

### The ultimate combination of flexibility and ease of use.

The Geami WrapPak® HV is ideal in high volume packaging environments. As it is an electronically operated converter, the system can significantly improve wrapping speed and overall

packing throughput. For instance, e-commerce environments, where the main goal is to maximise packing throughput while offering customers an exciting unboxing experience, are the perfect target for this solution.

## SPECIFICATIONS

### Geami WrapPak® HV

Dimensions: 712 x 50.8 x 43.2 cm

Voltage: 100-240 volt

Power: 320 watt

Speed: from 0 to 0.75 m/s

Cut method: Manual tearing

### Die Cut Paper

Base weight: 80 gr/m<sup>2</sup>

Colour: Brown and white

Roll length: 250 m

Paper width: 50.8 cm (20")

### Interleaf Paper

Base weight: 22 gr/m<sup>2</sup>

Colour: White (standard) also available in selected range of colours

Roll length: 840 m

Paper width: 30.5 cm (12")

### Geami WrapPak® M

Manual

Dimensions: 66 x 49 x 31.5 cm

Weight: 15 kg

Power: Non-electrical unit

Cut method: Manual tearing

## OUR ADDED VALUE

Geami WrapPak® is the combination of a patented die-cut kraft paper with a tissue interleaf paper. The Geami WrapPak® HV converter expands the die-cut paper to a 3D honeycomb structure providing a unique wrapping product.

By locking the angled cells together, items are securely wrapped and no tape is needed. The converter can be placed at any packing station where individual items are packed using a protective wrap.

**SUCCESSFUL IN THESE INDUSTRIES**

Health & Beauty   Organic products   Packaged food   Gourmet food   Homeware   Tableware  
Nutraceuticals   Pharmaceuticals

**ARRANGE A VISIT TO THE KALIDECK EXPERIENCE CENTRE**

We are proud of our state of the art showroom facility where customers are welcome to come and test any of our flagship products. Our facility is designed to provide a customer experience that shows the true power of our holistic product solution, from paper through to production and print.

**GO GREEN**

Our company works with FSC® Certified suppliers. FSC® is a global not-for-profit organization that sets the standards for what is a responsibly managed forest, both environmentally and socially.
