www.kalideck.co.za

YUPOTako® is environmentally-friendly and sticks to any flat surface. Due to its micro-suction structure, YUPOTako® sticks like crazy. It uses no adhesive, so it leaves no sticky feeling on the label. It's easy to stick on and just as easy to remove and reuse. The variety of grades offer different printing methods for many applications, such as labels, POS, window and floor graphics. Ask Antalis for YUPOTako® and give your creativity a platform on which to grow.
